

Learning Standard(s)

1. I can determine which causes most influenced particular decisions, actions, or events and assess their short and/or long-term consequences.
2. I can assess the significance of people, events, or developments that led to the rise of Ancient Rome.

Essential Question

→ **Why was the Ancient Roman Empire so successful? What factors led to their success and, eventually, their legacy?**

- **Legacy:** something passed on from generation to generation because of its success or advantage. For example, laws or traditions.

Activity

→ **You are an Ancient Roman scholar who has been asked to create a visual guide to success for other civilizations. Use facts and other supporting evidence to write your guide.**

- Write 5-10 factors needed for a successful civilization. Think about what made Ancient Rome successful. Draw pictures with each factor.
